A separate parking area will be provided for Vendors. Parking passes and complete details will be provided.

CLEAN-UP

Clean-up of the booth area is the responsibility of the Vendor. Trash removal will be available during and after the festival. We will provide trash bags throughout the event that you can empty your trash into and will be around periodically to dispose of. We strive to keep the festival grounds as clean as possible for our guests. Your help is greatly appreciated!

RESTROOMS

Public restrooms are available for your use in the Transportation Center and will remain open overnight. Portable toilets will also be available on the festival grounds.

The LIA Committee may:

- 1) Deny your application if we have already approved another vendor that has a very similar menu
- 2) Approve your application on the condition that you remove specific items from your menu that another vendor has already been approved to sell in order to minimize direct competition between vendors.

EXCLUDES: ALL beverages & common side dish items as determined by the LIA Committee.

Thank You for your participation in this year's event!
